**AMT—ASSOCIATION FOR MANUFACTURING TECHNOLOGY SELECTS
CONVENTION DATA SERVICES AS NEW REGISTRATION PARTNER**

(Bourne, MA – January 2009). Convention Data Services (CDS), a leading provider of registration and exhibitor lead retrieval services to the tradeshow industry, is pleased to welcome its newest client, AMT—The Association for Manufacturing Technology. AMT organizes and sponsors IMTS—The International Manufacturing Technology Show. IMTS is ranked among the largest trade shows in the world and is the largest and longest running manufacturing technology trade show in the United States with close to 100,000 attendees.

AMT chose Convention Data Services for their expertise and ability to provide customer service tailored to meet their clients' needs. CDS's team of professionals takes a unique hands-on approach to customer service. Among the standard services they will provide are a personalized call center, customized approach to web development and complete onsite support. As part of the IMTS program, CDS will provide optical scanning technology for lead capturing and a full range of state-of-the-art lead retrieval products.

“AMT’s goal for IMTS is to be the best overall show experience for our exhibitors,” said Peter Eelman, IMTS Vice President – Exhibitions. “Reliable registration and lead retrieval are critical to the show’s success. Convention Data Services stays current with technology and is willing to do what we need to take IMTS to the next level.”

Founded in 1902, AMT—The Association For Manufacturing Technology represents and promotes the interests of American providers of manufacturing machinery and equipment. Its

goal is to promote technological advancements and improvements in the design, manufacture and sale of members' products in those markets and acts as an industry advocate on trade matters

to governments and trade organizations throughout the world. IMTS, owned and managed by AMT, is recognized as one of the world's preeminent stages for introducing and selling manufacturing equipment and technology, and attracts visitors from every level of industry from over 106 countries.

For over two decades, Convention Data Services has been providing state-of-the-art registration, database management, exhibitor lead retrieval services and event marketing to the trade show industry, serving the needs of businesses and non-profit associations nationwide. The company, one of the largest private employers on Cape Cod, was recently named to the Inc 5,000 list of fastest-growing private companies in the country. During these tough economic times with the talk of recession becoming more frequent, Convention Data Services is driving the economy with record growth in sales.
