**CYGNUS EXPOSITIONS RENEWS CONTRACT AND SIGNS 3-YEAR DEAL WITH
CONVENTION DATA SERVICES**

(Bourne, MA – September 2009). Cygnus Expositions has just renewed their contract and signed a 3-year deal with Convention Data Services (CDS) to provide registration and exhibitor lead retrieval services for Aviation Industry Expo, EMS Expo, Firehouse Central, Firehouse Expo and Firehouse World through and including their 2012 shows. Firehouse Expo and Firehouse World are both on Tradeshow Week's 2009 Fastest 50 list. Cygnus Expositions now ranks among the top ten tradeshow organizers in the country and specializes in the production, management and promotion of regional and national tradeshow.

“We initially experienced working with CDS for two years before signing for another three. What impressed us was not only their technology, but their professionalism, customer service and attitude. They provide a great service and they obviously have their act together, paying attention to quality control and efficiency in addition to offering cutting-edge technology. Their personnel are top notch, both on-site and in the office. They have demonstrated to us that they strive for customer satisfaction as the key to their success and it shows in the way they interact with us and our exhibitors. They perform on our team as a business partner, not just a vendor, and certainly contribute to our success”, says Ken Romeo, Vice President, Operations, Cygnus.

For over two decades, Convention Data Services has been providing state-of-the-art registration, database management, exhibitor lead retrieval services and event marketing to the trade show industry, serving the needs of businesses and non-profit associations nationwide. The company was recently named to the Inc 5,000 list of fastest-growing private companies in the country.
