CONVENTION DATA SERVICES WELCOMES LIGHTFAIR AS NEW CLIENT

(Bourne, MA – November 2009). Convention Data Services (CDS), a leading provider of registration and exhibitor lead retrieval services to the tradeshow industry, is pleased to welcome LIGHTFAIR International (LFI) as a new client. LIGHTFAIR International is North America's premier annual Trade Show and Conference for architectural and commercial lighting products, services and education.

LIGHTFAIR chose Convention Data Services for its customer service, onsite support and flexibility. CDS's team of professionals takes a unique hands-on-approach to customer service.

LIGHTFAIR International is co-owned by the International Association of Lighting Designers (IALD), the Illuminating Engineering Society of North America (IESNA) and Atlanta-based trade show producer AMC, Inc. The event brings top international and domestic architectural, design, engineering, energy and lighting professionals together with exhibitors from around the world.

For over two decades, Convention Data Services has been providing state-of-the-art registration, database management, exhibitor lead retrieval services and event marketing to the trade show industry, serving the needs of businesses and non-profit associations nationwide. For the 2nd year in a row, the company was named to the Inc 5000 list of fastest-growing private companies in the country.
